2015 Road Repaving Project

On or about **July 27, 2015** this road will be milled and repaved. Expect delays between the construction hours of 7:00 am and 5:00 pm. Public Works personnel will be on site at all times to provide traffic control and to answer any questions you may have.

During the paving process this road may be closed for local traffic for a few hours.

Please plan ahead for alternative parking areas off the street.

Please be cautious of raised manhole and catch basin lids in the roadway during the milling process. These are the streets that will be paved on this project:

Beech Street

Circle Drive

Gillette Road

Lacey Ave.

North Ave. (from Elm St. to school lot)

Preston Drive (from Long hill Rd. to Lacey Ave.)

Milling and Paving may last a few days.

Please do not park in the roadway.

If you have any questions you can contact Long Hill Public Works at 647-0070.

We will greatly appreciate your patience and cooperation until our job is completed.

Thank you,

Tom Sweeney, Director of Public Works
