

What's in Your Water?

Find out with Great Swamp Watershed Association's
Discounted Test The Tap Program

Here's How it Works:

April 13th To May 7th
To pick up your well testing kit

All of the completed samples must be taken and returned on **May 8th**,
Bring your sample back to the Long Hill Township Library and we'll
handle the rest!

Basic well package begins
at \$125, basic public water
package begins at \$45,
additional tests may be
added for an
extra charge.

This test cannot be used
as a part of a real estate
transaction.
