

## September is National Preparedness Month

Take action now to make an emergency plan with your family, your community, and for your pets. Plan how to stay safe and communicate during disasters that can affect your community.

Visit Ready.Gov for resources to help you prepare, plan and stay informed for emergencies

<http://www.ready.gov/be-informed>

Don't Wait. Communicate. Make you're Emergency Plan Today

Take these steps to be prepared:

- 1) Be informed; learn what protective measures to take before, during and after an emergency
- 2) Make a communications plan; prepare, plan and stay informed for emergencies. To register to receive Long Hill Township Emergency notifications click on:

*Sign up for Long Hill Citizen Alerts* on the website <http://www.longhillnj.gov/>

- 3) Build a kit; have essential basic emergency supplies at ready and on hand

Need further assistance? Please contact: Shayne Daly, Emergency Management Coordinator
