

TOWNSHIP OF LONG HILL

Office of Emergency Management

264 Mercer Street, Stirling, NJ 07980
(908) 647-6131 • www.longhillnj.gov

Attention LHT Citizen Alert Program Subscribers:

Thank you for your support to our former emergency notification program - *Citizen Alerts*.
We need your help!

As we announced earlier this year, the Township is no longer using Everbridge *Citizen Alerts* for mass notifications.

In order to continue to receive community alerts from the Police Department, Office of Emergency Management, and other public safety agencies you must register on our new program, *ALERT LongHill*.

Unsure if you're signed up? Several notifications were sent last week during the storm. If you did not receive a text from the Police Department or an email from the Office of Emergency Management you are not on *ALERT LongHill*.

Please register now so we can reach you; visit the Township website www.longhillnj.gov click on *ALERT LongHill* logo.

Please note, when you enroll you will see an opportunity to provide additional personal and medical information for the Morris County *Smart 911* program - it is optional. If you would like to receive Long Hill community alerts, but do not wish to participate in Smart 911, select 'Edit Preferences' unclick the Smart 911 boxes and save your profile.

Please contact our office if you have any questions about *ALERT LongHill* or *Smart911*, or if you need assistance to register.

Thanks for your support and continued participation in this important emergency notification program.

Shayne Daly
Emergency Management Coordinator
Township of Long Hill
Office (908) 647-6131
