

## **Stirling Lake Lifeguard**

Stirling Lake, located in a family neighborhood where Chestnut St., Maple Ave., and High St. meet in Stirling. Our facility provides swimming for our members in a fresh water lake which is constantly refreshed and also provides additional water activities such as paddle boarding, kayaking, and Wibit racing (floating obstacle course). Kids love our sand beach and sand volleyball court. There is a playground and a picnic pavilion with grills for our members. We also provide daily arts and crafts projects for our members.

**We are currently looking for a few more lifeguards to round out our staffing needs for 2018. Applications are available on our website at the following link:**
