2017 Safest Small Towns in America

On February 1, 2017, Long Hill Township was notified that the township is one of the safest small towns in America. According to Tom Flynn from Lendedu.com, Long Hill Township is ranked #66 in the Top 250 Safest Small Towns in the United States Report. Flynn stated that Lendedu.com “determined this ranking by using FBI crime statistic data. The FBI data was used to calculate our ranking metric: the number of violent crimes per 1,000 residents.” Flynn further stated that “It is clear that Long Hill Township has created an environment for families to feel safe. Needless to say, these results are important, and I’m sure the community will be excited to see the ranking.”

Long Hill Township Police Chief Michael Mazzeo echoed Flynn’s sentiment “Every member of the police department takes great pride in protecting and serving the community of Long Hill Township.” “We strive to provide the very best in service and crime prevention to ensure the safety of our residents,” Chief Mazzeo said.
