WHEREAS, these communities have all not only demonstrated such compliance and commitment to Affordable Housing, but as part of that commitment, have dedicated significant resources and taxpayer services in support of their Affordable Housing obligation; and

WHEREAS, during the period of said compliance, the COVID-19 pandemic resulted in a shutdown of the New Jersey economy creating economic hardships for taxpayers and municipalities throughout the State of New Jersey; and

WHEREAS, communities are presently working to support those developments that have failed to construct the agreed upon Affordable Housing and are addressing the transition and development of such projects; and

WHEREAS, the Affordable Housing developments that were identified and included as part of the Substantive Certification by the Courts, did not necessarily take into account the offsite obligations of traffic, drainage, environmental considerations, open space, municipal utility services and other municipal services such police, fire and emergency medical services within each community and such responsibility of local taxpayers; and

WHEREAS, as a result of COVID-19, economic conditions and the significant responsibility to be the steward of appropriate compliant development of Third Round Affordable Housing plans, it is important to note that a majority of said plans were approved within the last seven years and will place an inordinate responsibility on local government and taxpayers to immediately reconvene with a new round of obligations to begin on July 1, 2025.
